

Planning Manager

Competition #J1218-1049

The City of Prince Albert is located in the broad valley of the North Saskatchewan River near the geographic centre of the province of Saskatchewan where the agricultural prairie of the south and the rich forest belt of the north meet. Prince Albert is a major service centre and regional market area for 175,000+ people in central and northern Saskatchewan. The beauty of the area, access to lakes and parks minutes away, a friendly environment, a prosperous community with a diverse economy and a commitment to growth offers a balanced quality lifestyle.

The City of Prince Albert has a full-time, term opportunity available for a motivated individual to provide professional advice related to planning and development for the City. The length of the term is expected to be up to one year in length.

The incumbent will be accountable for the timely, effective, and accurate evaluation of land use, planning, subdivision, and development applications; managing the current and long-range planning programs; and attending and participating in meetings to represent municipal, planning, and community development interests.

Principle Duties & Responsibilities:

- Build positive working relationships with stakeholder groups, business, community agencies, and governments to promote and enable sustainable community development through the implementation of the current and long-range planning programs.
- Provide expert advice to City Council, various boards, commissions, municipal and elected officials on land use, community planning, subdivision, and development related issues.
- Manage and supervise staff, budgets, coordinate consultants, liaise and work collaboratively with stakeholders to address and resolve complex planning, development, subdivision, land use and enforcement issues.

Qualifications (Education, Training, Experience)

- Degree in Planning from a University recognized by the Canadian Institute of Planners.
- Full member of the Canadian Institute of Planners (MCIP) and Saskatchewan Professional Planners Institute of Saskatchewan (SPPI).
- Must hold and maintain a current professional planning designation (RPP).

The City of Prince Albert offers competitive salaries, an excellent benefit package and a defined benefit pension plan.
