

Manager of Planning & Development

RM of Edenwold No. 158, SK

The Rural Municipality of Edenwold No. 158 is a large municipality located directly east of the City of Regina. It is home to nearly 5,000 residents and over 200 businesses. Emerald Park and the Great Plains Industrial Park form part of the RM along with over 20 other residential and commercial subdivisions. There are four major highways that intersect in the municipality including the No. 1 Highway and a segment of the new Regina Bypass. The RM of Edenwold is home to a wide range of land uses associated with both rural and urban environments, and offers residents all the amenities and recreational options within its boundaries. Please visit our website at www.rmedenwold.ca for more information.

Reporting to the Chief Operations Officer (COO), the Manager of Planning & Development is responsible for land-use planning, policy and regulations, development approvals, land development, the administration of municipal lands, and all land transactions. The Manager is responsive to all stakeholders including Council, citizens, staff members, developers, landowners, and other interested parties. This position oversees the efficient management of the Planning and Development department's capital and operating budget, as well as all departmental staff.

The ideal candidate will possess:

- ❖ An accredited university degree in urban or regional planning, or in a closely related field. A Master's Degree would be considered an asset.
- ❖ A minimum of five (5) years of progressive leadership experience in the professional planning field, along with experience in a municipal setting would be a strength.
- ❖ Extensive experience in:
 - Leadership, strategic planning, project management, coupled with sound technical knowledge.
 - Providing top-notch customer service to both internal and external stakeholders, including working closely with elected officials.
 - Municipal land use planning and development.
- ❖ Full membership, or eligibility for membership, in the Canadian Institute of Planners (CIP) and the Saskatchewan Professional Planners Institute (SPPI), or another related PTIA (Provincial or Territorial Institute of Association).
